REPORT OF SUPERINTENDENT OF SCHOOLS

To the Honorable Board of School Directors and Citizens:

I am pleased to submit my sixth annual report of the schools of Clarendon.

Seven schools are being maintained as usual during the present year.

Statistics relative to teachers are as follows:

Name of Teacher	Name of School	Kind of Certificate	State Rebate Per Week
Gertrude Bump	Clarendon Flats	E. P. Standard	\$5 00
Ruth Squier	Hill School	E. L. Standard	4 00
Marion Merrill	North Clarendon	E. L. Standard	4 00
Alma Gibbs	Clarendon Springs	E. P. Standard	5 00
B. Doris Spear	East Street	E. L. Standard	3 00
Cecelia McMahon	East Clarendon	E. P. Standard	5 00
Ellen Leonard Potter	Chippenhook	E. L. Standard	3 00

The State rebate is \$29.00 per week or \$986.00 for the year on account of trained teachers. This is a very good showing in the right direction.

Number of visits by citizens and directors during the fall term 45

The school population of Clarendon has increased considerable since the last report so that it is larger now than it has been for several years.

The pupils are provided for very nicely in all buildings except North Clarendon. This building is not adequate for the number of pupils enrolled, and the prospects are for a larger increase in the near future.

The Parent-Teachers' Associations in the various districts have done a great deal for the improvement of the school plants and deserve much credit for this commendable work.

Four schools of the town are now "Standard" and the other three could be made so without very great expense. It would be well to take advantage of state aid in this particular.

The hearty co-operation of school directors, citizens and teachers is largely responsible for the present status of these institutions.

The educational progress in Clarendon is substantial and I appreciate the faithful efforts of all concerned for the general welfare of the children.

Respectfully submitted,

FREDERICK W. WALLACE,
Superintendent of Schools.
